Winterfest at Fountains at Gateway

Outdoor Ice Skating and Events Begin November 18 at Fountains at Gateway

MURFREESBORO, Tenn. (November 6, 2017) --- As the temperatures dip and the holiday season approaches, the first annual Winterfest at Fountains at Gateway will bring ice skating and holiday activities to Fountains Plaza, announced developer Scott Graby, president of Hearthstone Properties.

Featuring the first outdoor ice skating rink in Rutherford County, Winterfest will offer ice skating for all ages, themed skate nights, movie nights on the rink, Christmas caroling, and pictures with Santa. Lights and holiday decorations will adorn the central plaza to create a magical experience for all ages.

“We are truly delighted to introduce Winterfest at Fountains and bring outdoor ice skating to Murfreesboro,” said Graby. “Fountains at Gateway was created to serve three distinctive purposes – as a corporate office campus, upscale dining and retail district, and community event venue. Winterfest is the first of many community events we look forward to hosting at Fountains.”

Graby said the ice rink is also available to host corporate events, holiday parties, school spirit nights, and church and youth events.

Winterfest opens November 18 and continues through January 3. Hours of operation and a schedule of activities will be published this week. For more information, visit FountainsWinterfest.com.
